New Members for our Board of Trustees. We are looking to recruit additional board members, and in particular those who have skills and experience in any of the following areas: health and safety, manual handling, food safety and hygiene and Welsh lan

The Board of Trustees is the governing body for Fareshare Cymru and is legally and financially responsible for the organisation, setting the vision and strategic direction.

The Board meet four times a year during office hours in Cardiff and trustees are reimbursed for out of pocket expenses. You can find out more about being a trustee here: ( https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/866947/CC3_feb20.pdf )

Fareshare Cymru is committed to diversity and we welcome applications from individuals from all backgrounds and would particularly welcome nominations for young, disabled and Black, Asian and Minority Ethnic candidates as all of those categories are currently under-represented on our Board.

Fareshare Cymru is at the centre of two of the most urgent issues that face the UK – food poverty and food waste. Based on the outskirts of Cardiff, FareShare Cymru works with charities and community organisations across South Wales helping to fight food poverty by tackling food waste. We take surplus edible food from the food and drink industry (food that would otherwise be wasted) and redistribute it to organisations in Wales that feed people in need, turning an environmental problem into a social solution.

We are a social enterprise set up as a company limited by guarantee with charitable status. As such we are governed by a board of trustees which we would like to expand and strengthen. We want to introduce new skills and talent to the current board to help the next stages of the Charity’s development in the coming year having secured some additional funds. These are voluntary posts providing a great opportunity to strengthen your own CV with a very important and rewarding charity.

We are seeking to deliver an ambitious growth plan that will lead to us branching out across south Wales and into west Wales, recruit more volunteers, more community food members and expand our base in Cardiff.

Explore more of the work of FareShare Cymru by taking a look at our website. ( https://www.fareshare.cymru/en/ )

You must be over 18 years old    Applicants will be shortlisted    Expenses Paid
